What is 'pollution'? 

Pollution can be many different things, but it basically means any nasty stuff that we put in our oceans or air or ground. This nasty stuff can be smoke in the air from industrial plants (or even smoke from a cigarette!), trash being thrown in the rivers or oceans, or chemicals dumped in landfills. What all these pollutants have in common is that they hurt our earth. Our water is not as safe to drink, smoke can make the air unsafe to breathe, and landfills can affect the soil around them so much that it’s impossible for healthy plants and trees to grow. Can you think of any examples of pollution near you?

¿Qué es 'la contaminación'? 

La contaminación puede ser muchas cosas, pero simplemente es cualquier cosa sucia que tiramos en nuestros océanos o el aire o la tierra. Estas cosas sucias puede ser el humo de una planta industrial (y hasta el humo de un cigarro!), basura que tiramos en los ríos y océanos, o químicos derramamos en los entierros de basura. Lo que todos los contaminantes tienen en común es que todos lastiman a nuestra tierra. Nuestra agua ya esta tan segura para beber, el humo hace que el aire no sea tan seguro para respirar y los entierros de basura afectan nuestra tierra haciendo imposible el que crezcan plantas y arboles saludables. ¿Puede pensar de algunos ejemplos de contaminacion cerca de usted?

Valle del Sol Celebrates the Grand Opening of Family Clinic

Clinic will integrate medical and behavioral health care

www.valledelsol.org

On September 14, 2012 Valle del Sol held a grand opening for their state-of-the-art primary care clinic located at 1209 South 1st Avenue which will integrate health care with behavioral health services. The inspiration for the Total Health program began when Valle del Sol staff discovered that their behavioral health care patients were facing barriers to primary care due to transportation issues or a lack of physicians to meet their client’s primary health care needs. In addition, research shows that individuals with behavioral health issues often die younger due to untreated chronic medical illnesses such as diabetes, high cholesterol, or high blood pressure.

“We are championing this effort to maximize the level of care for our patients and to provide better health outcomes in our communities” said Kurt

Smiles Over Miles
Mobile Dental Care Program

Why a mobile dental care program? Many homebound patients with physical, developmental or behavioral disabilities find it nearly impossible to access a traditional dental office because they cannot afford the cost of specialty transport or ambulance services. Additionally, many caregivers either do not have a vehicle or one equipped for wheelchair transportation. To that end, our self-contained state of the art mobile dental unit is easily transported and set up in private homes, nursing care, or assisted living facilities.

FAQ:
What area served? All of Maricopa County.
What type of dental treatment may be done? Examinations and X-rays, hygiene services, fillings, routine extractions (includes oral surgery), and dentures.

How much does it cost? This depends on the treatment rendered. The Arizona School of Dentistry & Oral Health fees are approximately half of what you would expect to pay at a private dentist. All treatments are planned in advance, and costs are discussed before any care is rendered.

Do you accept insurance? The Arizona School of Dentistry & Oral Health is a contracted provider for AHCCCS under the following plans: ARPA, Mary CTC, and Sun Health Plan. If you do not have insurance, payment may be made by Visa, MasterCard, or cash. For those with private dental insurance, a completed insurance form is required. To submit to your insurance company for possible reimbursement.

To make an appointment: Please call the Smiles Over Miles Care Coordinator at 866.248.8187.

Once upon a time, the Salt River flowed through Southern Phoenix. Canals lined with shady cottonwood trees carried water to farms. Families picnicked on the riverbank, caught fish and swam in the refreshing water. These and other memories of South Central Phoenix from the late 1800s to the present are displayed in a new exhibit at the George Washington Carver Museum and Cultural Center.

Local stories, photographs, timelines and scientific research on urban environmental change provide fascinating insights into some of Phoenix’s oldest neighborhoods. From farming to industrial manufacturing to neighborhood revitalization, visitors will learn about environmental and social changes and what they mean for the people who call those neighborhoods home.

Join us as we consider lessons from the past. Add your voice to the conversation about improving urban neighborhoods and preparing for future challenges.

CHASE
Dedication Event at Cementerio Lindo

The Pioneers’ Cemetery Association has planned a dedication event on Thursday, October 25th at the Cementerio Lindo, beginning at 10 AM sharp. Partnering with the City of Phoenix, the Phoenix Revitalization Corporation and the American Legion Post 41, plans are set to dedicate a new memorial plaque at the entrance of this historic cemetery at 15th Ave. and Durango.

Several members of these organizations will be on hand from 10:00AM to 2:00PM to provide information to visitors and family members of those who are interred at this historic cemetery. Dignitaries, special invited guests, music and entertainment will be on hand in the morning with food and refreshments provided by the Phoenix Revitalization Corporation. The event will conclude about 2:00p.m.

The Cementerio Lindo cemetery was established in 1891 as the first Maricopa County Cemetery and was closed to new burials in 1952. The PCA has undertaken to reconstruct the list of persons buried in the old County Cemetery. While the total number of graves is unknown due to a fire in 1951 that burned most, if not all, of the County burial records, it is thought that there may have been over 7000 burials at this location. Although the original records have been lost, death certificates for the vast majority of people interred here are available online.

If you have any information about the cemetery or know the name of someone who was buried there, please download, fill out and return the Burial Contact Form as an email attachment to the PCA at pioneercem@yahoo.com. You may also contact the PCA by phoning 602-534-1262 on Thursdays or by writing to the PCA at PO Box 63342, Phoenix, AZ 85082-3342.

Dedication Event at Cementerio Lindo

La Asociación de Pioneros ha planeado un evento de dedicación el Jueves, 25 de octubre en el Cementerio Lindo a las 10:00am. En asociación con la Ciudad de Phoenix, Phoenix Revitalization Corporation, y el American Legion Post 41, se establecen planes para dedicar una nueva placa conmemorativa en la entrada de este cementerio histórico en la 15 Avenida y Durango.

Varios miembros de estas organizaciones estarán presentes de las 10:00am a las 2:00pm para proporcionar información a los visitantes y familiares de los que están enterrados en este cementerio histórico. Dignatarios, invitados especiales, música y entretenimiento estarán a su disposición en la mañana con comida y refrescos proporcionados por Phoenix Revitalization Corporation. Este evento se concluirá aproximadamente a las 2:00pm.

El Cementerio Lindo fue establecido en 1891 como el primer cementerio del Condado de Maricopa y se cerró para nuevos entierros en 1952. El PCA se ha comprometido a reconstruir la lista de personas enterradas en el Cementerio Viejo del Condado. Mientras que el número total de tumbas es desconocida debido a un incendio en 1951 que quemó la mayoría, si no todos de los registros de entierro, se cree que puede haber habido más de 7,000 enterramientos en esta ubicación. Aunque los registros originales se han perdido, los certificados de defunción para la gran mayoría de las personas enterradas aquí están disponibles en línea.

Si usted tiene alguna información sobre el cementerio o quiere conocer el nombre de alguien que fue enterrado allí, por favor descargue, llene y envíe el Formulario de Contacto de Entierro como un archivo de correo electrónico a la PCA a pioneercem@yahoo.com. También puede comunicarse con el PCA por teléfono al 602-534-1262, los jueves o escribiendo a la PCA, PO Box 63342, Phoenix, AZ 85082-3342.
New Cemetery Plaque dedication, music, food, community leaders, and family members. Come spend the morning with us for this important event. Sponsored by the Pioneers’ Cemetery Association, The City of Phoenix, The Phoenix Revitalization Corporation, and The American Legion Post 41.

Mark your calendar for 8 a.m. to noon Saturday, Nov. 3, as the city’s Neighborhood Services Department (NSD) and members of the Anti-Graffiti Task Force host the first annual Graffiti Free Phoenix: **Wipe It Out Day**! On this day, hundreds of volunteers and our entire NSD staff will be armed with paint and roller brushes to remove graffiti from places throughout the city’s neighborhoods.

Volunteers are needed to make this a successful event. Neighborhood organizations, corporate or church volunteer groups and residents who want to lend a helping hand are encouraged to sign up.

**Register today at myvolunteerphoenix.org.**

Staff also has planned a kick-off rally from 9 to 11 a.m. Saturday, Oct. 27, at the NSD West Facility, 3325 W. Flower St. During this event, we’ll bring as many volunteers together to celebrate our citywide anti-graffiti efforts and distribute paint and information on where groups will be working the following Saturday. It’s going to be lots of fun and we hope to see you there!

For more information, call 602-534-4444.

**Individuals Volunteers**

Individual volunteers will be assigned to their closest Wipe It OUT community project. Paint, rollers and brushes will be provided. Bottled water is recommended.

**Neighborhood Organization and Volunteer Groups**

We encourage you to plan and arrange Wipe It OUT projects in your communities. Paint, rollers, brushes and technical assistance will be provided to your neighborhood organization. Bottled water is recommended.

**Wipe It OUT Pep Rally!**

**9 a.m. Saturday, Oct. 27**

Fun and excitement! Volunteers will hear from special guest speakers about Wipe It OUT and have the chance to pick-up their project materials in advance. Please RSVP no later than Friday, Sept. 28. The **Wipe It OUT Rally** will be held at the Graffiti Warehouse, 3325 W. Flower St., Suite 100.

**Quick Facts**

- Event Date: Saturday, Nov. 3
- Time: Projects are scheduled to begin at 8 a.m.
- Groups may pick up supplies and paint before their Wipe It OUT projects – staff will contact you to schedule a pick-up date and time.
- Wipe It OUT will mobilize hundreds of Phoenix residents in a combined effort to wipe out graffiti citywide!
