Thursday – March 15, 2018

Phoenix Revitalization Corporation is proud to facilitate the CCS Business Network Luncheons where strong connections are made and information is shared. We were excited to be hosted at the Children First Leadership Academy (1648 S. 16th Street) and send out a big “Thank You” to Jerry Lewis for sharing their space. In addition, we thank Michael Abril of La Canasta Restaurant (723 S. 7th Avenue) for catering the lunch for our attendees.

The program focused on the Valley Metro South Central Light Rail Extension and the public art that is being proposed for this project. Attendees were able to view the path and give feedback on the artwork to the Valley Metro Team.

On Saturday - April 7, 2018 two community volunteer groups in partnership with the City of Phoenix Neighborhood Services, Public Works and the Police Department conducted a “Neighborhood Clean Up” in the Nuestro Barrios Unidos area. Many hands and hearts helped to beautify the area by trimming trees, picking up trash and much more. Residents had the opportunity to take their unwanted items to the local dumpsters and all enjoyed great refreshments and connections through the day. Thank you to all who participated in this project of neighborhood beautification.

Honoring Our Past to Preserve Our Future
Pioneers’ Cemetery Association

Take a stroll through a piece of history nestled in downtown Phoenix this Memorial Day, Monday, May 28 beginning at 9 a.m. when Pioneers’ Cemetery Association and the City of Phoenix brings its 35th Annual Memorial Day Remembrance Ceremony to life! This family friendly event will be held at the historic Pioneer & Military Memorial Park and Smurthwaite House located at 1307 West Jefferson in downtown Phoenix.

Many historic preservation organizations will bring Phoenix’s pioneer history to life by attending in period costumes to participate in the wreath laying ceremony, provide the public with information about early Arizona history, excite you with the possibility of discovering your own family history, and even provide shopping opportunities! Military veterans of a bygone era will be remembered and brought to life as part of the event’s program led by Master of Ceremonies Marty Manning of KEZ 99FM. Veterans past and present will be honored in a number of ways including inviting the public to unite to create a paper poppy wall filled with names of their own military family members. You won’t want to miss the cannon volley, 21-gun salute, or playing of TAPS by our bugler!

Light refreshments will be available as attendees gather under the large, cool trees that line the Avenue of Flags. Tours of the seven cemeteries and the Smurthwaite House will be available after the ceremony. The Smurthwaite House will also feature an exhibit of Victorian glassware. Donations are greatly appreciated and help fund the ongoing research and preservation of Phoenix history.

Coffelt-Lamoreaux Apartment Homes Ribbon Cutting/Dedication Ceremony

Gorman and Company, LLC and the Housing Authority of Maricopa County invites you to attend the dedication ceremony for the Coffelt-Lamoreaux Apartment Homes.

Friday, April 20, 2018
1510 S. 19th Drive - Phoenix
9:30 AM Dedication Ceremony

Join us in supporting Gorman & Company and Housing Authority of Maricopa County at the ribbon cutting of the Coffelt-Lamoreaux Homes, a $47 Million transformation of a historic post-World War II public housing community.

LISC Phoenix funded a Health Impact Assessment ahead of the redevelopment to engage the community and help the developer and housing authority understand the possible effects of redevelopment on the health of residents. Read more about the history of the community and recommendations of the report in The Coffelt Case.

The Coffelt-Lamoreaux redevelopment was made possible through the Affordable Housing Fund established by Arizona Community Foundation and administered by LISC Phoenix. Unlike traditional programs, this fund provides zero-interest loans to nonprofit developers for the pre-development phase of affordable housing projects where financing is not typically available. Once these projects receive long-term lender financing, loans are repaid to our fund — making those dollars available for new projects.
