CAT Neighborhood Hero Award
Executive Assistant
Police Chief Kurtenbach
Under the Americans with Disabilities Act, PRC must make a reasonable accommodation to allow a person with a disability to take part in a program, service or activity. For example, this means that if necessary, PRC must provide sign language interpreters for people who are deaf, a wheelchair accessible location, or enlarged print materials. It also means that PRC will take any other reasonable action that allows you to take part in and understand a program or activity, including making reasonable changes to an activity. If you believe that you will not be able to understand or take part in a program or activity because of your disability, please let us know of your disability needs in advance at all possible. Please contact PRC at 602-253-6895.

Community Action Team
Meeting - CAT
“Fighting blight and crime together, connecting our community”

2019 - Dates

• Thursday: November 14
• December: Holiday – Break

Crime Updates
Community Announcements
Connect with Neighbors

⇒ Meetings are open to and hosted by the many neighborhood associations, resident leaders and community stakeholders in Central City South (CCS).

⇒ Presentations and information are provided to keep the community aware of crime and blight issues and efforts, development projects, zoning variances, and liquor applications and resources that impact the neighborhoods of CCS.

⇒ No more than 3 presentations by groups are scheduled for a maximum of 5-7 minutes at each meeting.

⇒ Time is reserved for public announcements at the end of each meeting.

⇒ Refreshments are served and we have a community table available.

Working for positive community change Together!

Whose invited?

G.A.I.N. Event
Arizona Superintendent of Public Instruction Diane Douglas was proud to announce today which Arizona schools will be honored as 2018 National Blue Ribbon Schools.

“The best part of my job is being able to celebrate the hard work and accomplishments of our Arizona schools and students,” Superintendent Douglas said. “These schools are an example for all others to follow. By putting the children first, these schools are now able to receive national recognition and take a well-deserved bow for their commitment to excellence.”

In Arizona, five schools made the grade by meeting the U.S. Department of Education’s accountability requirements:

- **Vista College Preparatory**, Phoenix
- **Franklin Junior High School**, Mesa
- **Gilbert Classical Academy High School**, Gilbert
- **Knox Gifted Academy**, Chandler
- **Mesa Academy for Advanced Studies**, Mesa
On September 26, 2019 Phoenix Revitalization Corporation (PRC) shared the history of the Sizzling Safe Summer Campaign with City of Phoenix Parks Board Members and in addition recognized the great partnership and amazing who have contributed to the success over the past 11 years.

PRC started at the beginning recognizing the vision of Emmett Boyd of the City of Phoenix Recreation Department and Eva O. Olivas, Executive Director of Phoenix Revitalization Corporation when a thought started in a hallway between 2 people ..."What can we do to prevent heat related illness and death?"

From that launched a 11 year partnership between PRC the City of Phoenix Parks, Recreation and Aquatics Department and many generous sponsors who have worked together to carry the message of “Be safe in the summer heat”. We have shared information on heat protection, swim lessons, CPR and First Aid, encouraging “Wellness Checks”, heat strokes and much more.

In 2019, we reached 1,992 participants through our nineteen Community Information Sessions. We together produced 9 free family pool parties throughout the city and were joined by 14 sponsors. Shown above are members of the City of Phoenix Parks Board, City of Phoenix Recreation and Aquatics Department and PRC Staff.

PRC was presented with a recognition gift from the Parks and Recreation Department for their contribution to supporting “Parks”.

Let’s Get to Work

The South Central Extension/Downtown Hub will connect with the current light rail system in downtown Phoenix and operate south to Baseline Road. The project also includes a light rail transit hub in downtown Phoenix, new stations and public art.

Construction activities will begin in October 2019 starting in the downtown area. In early 2020, utility relocation will begin along Central Avenue. The detailed construction timeline is being developed and communication will continue as the project progresses, including the details about where and when construction work will occur.

Each phase of construction has specific characteristics regarding when and where the work will be done. The project will be open for operations in 2024.

### Minimizing Impacts

Valley Metro is committed to minimizing construction impacts and maintaining a safe environment. During construction, Community Outreach and Business Assistance Coordinators are assigned full-time to serve as a direct contact to neighboring residents and business owners, provide information, address concerns and solve problems. Information will be provided through personal contact, public meetings, door hangers, mailers, emails and social media.

Business signage will be provided to help direct customers to driveways and entrances. Business owners can also take advantage of other business assistance programs offered by Valley Metro, the city of Phoenix and community business partners.

### Safety Tips

- Be alert around construction
- Allow for extra travel time
- Follow traffic signals and message boards
- Use designated crosswalks
- Limit distractions

To subscribe to weekly email updates, contact your Community Outreach Coordinator. For more information, please visit valleymetro.org/southcentral.

For more information, visit phoenixpubliclibrary.org or call 602-262-4636 (for TTY dial 7-1-1).
NATIONAL LEAD POISONING PREVENTION WEEK
October 20-26, 2019

The annual event focuses on the many ways to prevent lead exposure to children before they are harmed.

What can you do, if your home was built before 1978?
- Mop smooth floors (using a damp mop) weekly to control dust.
- Take off shoes when entering the house or place a cleanable mat at each entranceway.
- Wash your child’s hands often, especially before meals, snacks, and bedtime.
- Wash toys, pacifiers and other things your child may put in his or her mouth.
- Wipe down surfaces that children can touch, especially windowsills. Use a wet rag or disposable wipes.
- Cover bare soil or encourage children to play on grass, not dirt.
- Plant vegetable gardens away from old painted buildings or busy roads.
- Remove old batteries and radiators that may be stored in yards.
- Vacuum carpets and upholstery to remove dust, using a vacuum with a HEPA filter.
- Get your child tested. Even if your young children seem healthy, ask your doctor to test them for lead.

You have the power to help protect your children and family from the dangers of lead poisoning.

Lead Safe Phoenix
The city of Phoenix, Neighborhood Services Department Lead Hazard Control Program, received Federal funds to provide no cost grants to help homeowners, landlords and tenants in target areas control hazards from lead in paint, soil and dust.

No cost services include testing the home or apartment for lead hazards; children less than six years of age are tested for lead; lead hazard control work conducted by certified lead abatement contractors; and, provides family education on lead poisoning prevention and other referrals, as needed. The program is also a source for information about childhood lead poisoning prevention.

For further information about the Lead Hazard Control Program, call 602-534-4444 or visit the Lead Safe Phoenix web site at www.phoenix.gov/nsd/lead-safe-phoenix. Visit these websites for additional information: U.S. Department of Housing and Urban Development, Office of Lead Hazard Control and Healthy Homes (www.hud.gov/offices/lead), Centers for Disease Control and Prevention (www.cdc.gov), and the Environmental Protection Agency (www.epa.gov/lead).
New Discount Parking Program Offers Convenience at Phoenix Sky Harbor

Phoenix Sky Harbor is making parking at America’ Friendliest Airport® easier and more economical for travelers.

Under the airport’s new parking reservation program, Sky Harbor Discount Parking, travelers can reserve their parking in advance and save money with discounted pricing.

With the only on-site parking, travelers catching a flight from Phoenix Sky Harbor can get to their gate faster with the convenient reservation program. Parking can be reserved up to six months in advance. Parking reservations are available for all the terminal garages, East Economy Lot and garages A and B.

The new parking program also allows travelers the ability to manage their reservations directly.

If a customer has to modify his/her parking reservation, the individual can make the changes directly and not have to call or email the airport for the revisions. For more information, visit skyharbor.com/parking.

Do you have a...
Talent to Share?
Turn it into...
Money to Spare!

Phoenix Parks and Recreation is looking for talented people, just like YOU, to help us bring classes and programs to our communities.

Why partner with us?

**Meaningful** - Positively impact your community!
**Flexible** - Make it work with your life!
**Great Compensation** - Negotiable and fair!
**Inclusive & Diverse** - Different is good!
**Independent** - You’re a partner! Not an employee.

*We contract individuals, LLCs, and corporations.

We are looking for...

Talented people who are interested in instructing classes in the areas of:
- Arts & Crafts
- Dance & Music
- Sports & Fitness
- Education & Development
- Culture & Language
- Computers & Coding
- Culinary & Lifestyle
- ... The class that you can teach!

We also need...

**Speakers & Presenters**
for our camps and afterschool programs.

**Referees & Scorekeepers**
for our sports leagues.

To get started, attend one of our above info sessions or visit phoenix.gov/parks/jobs
